DRIVER TRAINING

Our unique driving training program incorporates

A few hours instruction under the watchful eye of one of the Travel Adventures off road driving instructors.

During the course you will be briefed in detail on:

- 1) Driving in deep sand
- 2) Driving in mud
- 3) Driving through water
- 4) Advised how to deal with wild animals (i.e. elephants in the road)
- 5) When to drive in 2 wheel drive
- 6) When to drive in 4 wheel drive high range
- 7) When to drive in 4 wheel drive low range

Recovering vehicle from Sand, Mud and Water (season dependant).

Changing tyres and the correct use of recovery equipment including high lift and /or air jacks.

This service is available in addition to any self drive safari or 4x4 vehicle hire and must be booked in advance.
