A PHOTOGRAPHIC SAFARI FOR ALL LEVELS

Whether you're a beginner or a pro, this workshop caters to all photography levels:

- ◆ Tailored instruction for all skill levels:
 - Beginners: Master camera basics and composition
 - Intermediate: Refine techniques and develop personal style
 - Advanced: Precise vehicle placement, using creative light and settings, and advanced editing
- ◆ Daily image review sessions
- ◆ Specialized vehicle setup with camera mounts for stable shots and video
- ◆ Access to a dedicated onsite photographic hide for eye-level perspective
- ◆ Night drives with minimal-impact red spotlights for night photography

YOUR PHOTO GUIDE

Charlotte Arthun is a professional wildlife photographer and specialist photographic safari guide joining Chikuto Safaris as our Photographer in Residence. Over the last ten years, she has specialised in photographing wildlife in remote destinations across the world. Her approach to teaching combines technical expertise with an emphasis on narrative, helping develop both practical and creative photography skills.
